Posted: Fri, Apr 16, 2021

Rate of Pay: \$20.49/hr +wage enhancement

Start Date: Immediately

We are an agency supporting people with intellectual disabilities exclusively in their own homes. Be aware that Community Living St. Marys & Area delivers this service differently than other, more traditional organizations. People choose where and with whom they live, and our employees work hard to connect them to the community, while challenging existing stereotypes. If this sounds appealing, this job might be the right fit for you! We are currently seeking a part time employee to work consistent Thursday 2:45-9:45pm shifts with a youth. In addition to this, the role will include additional relief hours with this youth and another youth, both who live in St. Marys, to cover online schooling, summer breaks, and support team vacation coverage. This could be an ideal opportunity for a mature post-secondary student.
