We are an agency supporting people with intellectual disabilities exclusively in their own homes, at all hours of the day and night. Be aware that Community Living St. Marys & Area delivers this service differently than other, more traditional organizations. People choose where and with whom they live, and our employees work hard to connect them to the community, while challenging existing stereotypes. If this sounds appealing, this job might be the right fit for you! We are currently seeking someone to support people living mainly in Stratford, with potential to additionally support someone living in St. Marys. The full time position will have a regular 4-week rotating schedule to include TWO weekends per month.
