## A note from our Executive Director, Becky Huffman

As we admire the beautiful colors of fall, I wanted to take a moment to express how grateful I am for the amazing community we have here at Community Living St Marys and Area. This season encourages reflection, and I can't help but appreciate the hard work of our staff, as well as the amazing connections we are fortunate to have with the people we support and their families.

Speaking of connections, we are soon heading into the holiday season which always gives us a chance to come together and celebrate! I have heard that the elves will be returning to St Marys for the month of December, so please stay tuned for some opportunities for Holiday Fun! On behalf of myself and the Board of Directors, we would also love for you to join us at our Holiday Celebration on December 5th! It should be a wonderful evening and a great opportunity to celebrate the season together.

Wishing you all a fabulous fall season! Thank you for all that you do!

#### 40 years for Paul Williams!

SERVICE

Paul began his four-decade career at CLSMA in April 1984 as an overnight support worker at 111 Queen St. He also provided transportation to people livingoutside of St. Marys who worked at the sheltered wood shop for six years. Paul served the agency in many other ways including as a board member of Citizen Advocacy, chairing Joint Health and Safety committee since 1990 and helping to revise the by-laws. He has not missed a single Annual

General Meeting! Paul's personal values are closely aligned with those of CLSMA and in his off time he has volunteered 18 years with the United Way including on the Social Planning Council and leading the St. Marys Community Network gatherings since 2003. Paul shared that he has always felt that CLSMA was "a good place to work." His wish is to see the agency continue much the same and adjust to what the future brings. Thank-you Paul for your dedication! You carry the history, continuity of values and the "big picture" of CLSMA!!

As many know, Paul also loves a good joke and he shared his favourite of all time – "What's big and red and eats rocks? - A big red rock eater."
